

VM045

Let your car radio
BECOME
A MEDIASTATION!

Android 10.0

EasyConnection

UNIVERSAL

for CARS and VEHICLES
with ISO CAR RADIO
COMPARTMENT

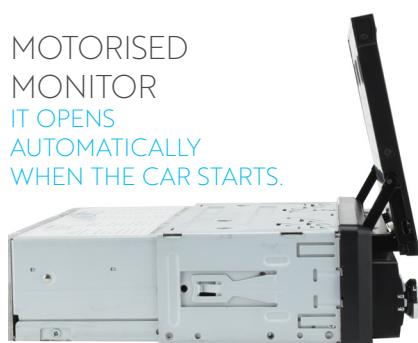

ANDROID 10 DAB+ MEDIASTATION with MOTORISED, HIDEAWAY, CAPACITIVE TFT 7" TOUCH SCREEN MONITOR, CD/DVD/USB/MICRO SD CARD PLAYER and AUX-IN INPUT

The VM045 Mediastation is perfect for those who want to have a multimedia system on the car without modifying the dashboard:

it is installed in the ISO car radio compartment, thanks to its "hideaway" monitor. It features all the comfort and functionality of a Mediastation.

The motorised display opens automatically when you start the car. Thanks to its capacitive Touch Screen, it allows you to easily navigate the Menu.

MOTORISED
MONITOR
IT OPENS
AUTOMATICALLY
WHEN THE CAR STARTS.

CONNECTION and CONTENT

SMARTPHONE

Immediate connection with EasyConnection APP, already installed on the Main Menu.

WI-FI

It allows you to connect to a mobile hotspot: you can connect the Mediastation to the web by using the smartphone data connection.

BLUETOOTH

Hands-free calls for a safe drive.
Listen to music from your smartphone without cables.

USB

Front input to plug max 32 GB USB key.

Micro SD Card

2 front slots for max 16 GB Micro SD Card.

AUX-IN Input

To listen to music from an external source.
